

Law Enforcement Liaison Chair: Bill Anderson, CPP

Bill Anderson started a career in the Private Security industry in Toronto in 1984 as a Patrol Supervisor and joined a GTA police service that same year. He has over 25 years background in military, security and policing fields. He has worked various supervisory & training positions, uniform response, marine search & rescue and as a criminal investigator, a position in which he continues as a current serving police officer.

More recently Bill started a new consulting firm, Anderson Protective Consultants (APC) which provides security training and corporate services. He currently sits on Boards of Directors in Hamilton with both the MS Society and Rotary club. His experiential and educational background includes criminology, business management, Crime Prevention Through Environmental Design and Terrorism / Organized Crime Interdiction. Bill remains an active member of several professional associations.

Bill joined ASIS International in 2005 and earned his Certified Protection Professional designation the same year.
