

Secretary: Jason Caissie, BA, PSP, CISSP

Jason started in the security industry at the age of 18 as a private investigator for Profile Investigation. After earning a Bachelor of Arts degree from the University of Western Ontario, he became a Technical Sales Consultant for Profile Security Integrated Services, part of the Profile Group of Companies. Based in Toronto, Jason was responsible for technical sales and design of integrated security systems. Jason has recently become a Physical Security Advisor with the Protection Services division of the Royal Bank of Canada.

Jason has been a member of ASIS International since 2004 and has been involved with the Toronto Chapter since 2005. Jason's positions with the chapter have included chairing the Annual Best Practices Seminar, moderating the PSP study program in 2006 and 2007 and assuming the role of Secretary during 2007.

Jason earned his PSP (Physical Security Professional) designation from ASIS International in December 2005 and his CISSP (Certified Information Systems Security Professional) designation from ISC² in October 2007.
