

### **Membership Chair: Rui Martins**

Rui Martins has worked in the Security & Life Safety field for over 18 years. Sixteen of those were spent protecting the world's tallest building: the CN Tower. His diverse range of Security, Life Safety and Operations experience included responsibilities in all aspects of running the operation from High Profile Security Events to Developing Award Winning Security and Life Safety programs for the CN Tower.

Rui is currently the Director of Distributor Services for the Pandemic 101 Corporation and does double duty for Respond Solutions Inc as Director of Security Education. Pandemic 101 is a cutting edge company providing complete solutions and certification for organization to become resilient to an Infectious Disease Pandemic or Epidemic.

Rui is currently pursuing his Certified Protection Professional (CPP) designation from ASIS International.
